CLARIFICATION NOTE

To,
The Registrar of Companies
 Chennai

Subject: Clarification on Gender-wise Classification of Members in Form MGT-7 for the Financial Year ended 31 March 2025

This clarification note is being submitted along with Form MGT-7 to explain the basis adopted by the Company for reporting the gender-wise classification of members, as required under the Companies Act, 2013 and the MCA e-filing system, for the financial year ended 31 March 2025.

This clarification note is being submitted along with Form MGT-7 to explain the basis adopted by the Company for reporting the gender-wise classification of members, as required under the Companies Act, 2013 and the MCA e-filing system.

Total number of members as on 31 March 2025:	12,573
Classification based on nature of members:	
Members other than individuals: <i>(Including Mutual Funds, Alternate Investment Funds (AIFs), Foreign Portfolio Investors (FPIs), Bodies Corporate, Trusts and other non-individual entities)</i>	518
Individual members:	12,055

Limitation regarding gender-wise data: The Company does not maintain gender-wise classification (Male/Female/Transgender) of individual shareholders in its Register of Members. The gender details are not mandatorily captured or updated in the depository records or share transfer data received from Depositories / Registrar & Share Transfer Agent (RTA).

Basis of disclosure in Form MGT-7: In the absence of authentic and verified gender-specific data of individual shareholders, the Company is unable to accurately bifurcate individual members into Male, Female and Transgender categories.

Accordingly, in the absence of gender-wise data, all individual members have been reported under the "Male" category in Form MGT-7, purely for disclosure and system-compliance purposes, and not as a reflection of the actual gender composition of the members. However, the Company has been able to reliably identify and disclose the number of members other than individuals, based on the available records and depository classifications.

Good faith disclosure: The information provided in Form MGT-7 is furnished in good faith, based on the data available with the Company as on 31 March 2025. The Company confirms that there is no intention to misstate or suppress any information, and the disclosure constraints are purely due to non-availability of gender-wise data from official records.

This clarification is submitted for the kind consideration of the Registrar of Companies, Chennai.

You are requested to take the above information on record.

Yours truly,

For Kingfa Science & Technology (India) Limited
