23 March 2020

Momentarily Suspension of Operations

Kingfa India is a responsible Employer and business Partner, we prioritize the safety, health, hygiene & welfare of our employees, clients, business partners & the society.

In the wake of heightened concern on spread of Corona Virus across the country we have decided to shut down our manufacturing capacities at Pune (Jejuri & Chakan Plant) and Manesar Plant till 31st March 2020.

However, the essential services will remain operational & such employees will be communicated through their department head and work through home for office staff.

All the employees are requested to maintain social distancing, follow the guidelines of the Ministry of Health, avoid unnecessary travels, stay at home and be safe.

Any employee, it's family member/ roommates/ persons in close contact showing symptoms of the covid-19 should inform the management during this period so that precautionary measures can be taken.

The management is continuously monitoring the ongoing situations closely and any changes to this will be communicated to the employees and business partners accordingly till then we hope for your cooperation.

The earlier circular on work from home & its guidelines will remain effective till 31st March 2020.

Please also note that operations at **Puducherry plant** will continue to run as usual.
